## St. Agatha MLB Challenge

**!!!Calling all baseball fans!!!**

Mrs. Hanna is putting out a challenge that will be featured in this year's yearbook!

With the World Series coming up, we want to know who you think is going to take home the championship.

Take a photo showing off your team spirit (jerseys, hats, banners, etc.) for the team you think is going to take it all and email it to Julie at [julie@sentaaur.com](mailto:julie@sentaaur.com).

One team per family please and good luck to everyone!

## A message from PIPS

Hello St. Agatha Families,

Each year PIPS organizes a dinner and snacks for the teachers during fall conferences, this year we had to get creative. In lieu of bringing in food on 10/22 we will be asking families to donate to a teacher appreciation fund so that we can purchase meal delivery service gift cards for each teacher and staff member. To keep things as easy as possible we are collecting the funds through the school and then dividing equally to purchase and distribute the electronic gift cards.

Please donate using your FACTS account by emailing Kathy Hart [kathy.hart@stagatha.us](mailto:kathy.hart@stagatha.us) with your name, class, and donation amount, or by dropping off cash or check at the next two resource pick up days, with the same information on the envelope. Monday Oct. 19th is the deadline. Thank you for your help in supporting our fabulous teachers!

Thank you,  
Parents in Partnership

## VIRTUAL ACTING CLASSES

### Grades 1st-3rd: Jr. Detectives: *Mystery Archives*

Calling all Jr. Detectives! The game's afoot! We've unlocked the door to the *Mystery Archives*. We need your help solving the mystery hiding within the pages of our books.

Students will use their voices, bodies, and imaginations to uncover clues hidden within familiar storybooks. At the end of our eight week session, we'll put the clues together to uncover a secret message in their final showcase!

**Mondays, October 5-November 23, 3-4pm (\$160)**

---

**Grades 3rd-5th: *Who's Mystery is it Anyway???***

Learn the foundations of developing a strong character, given circumstances, and objectives as you improv your way through solving a mystery of your own ! This class is all about improv, skill building, and fun.

In this eight week session, we will focus on the basic building blocks of improv in order to equip students with the tools they need tmo create improvised scenes in their final showcase: *Mysteries from a Hat*.

**Tuesdays, October 6-November 24, 3-4:30pm (\$190)**

---

**Grades 6-8th: *The Mystery Monologues***

Everyone has motive. Everyone has opportunity. The question is: Whodunnit? In this class, students will have the opportunity to develop a charcter from scratch and create a monologue for their character that will serve as their alibi in the case of a stolen work of art. They'll perform their alibis in our final showcase where it will be up to the audience to decide: *whodunnit*. Every mystery has a twist: our students won't know who the culprit is until the end of the showcase.

**Tuesdays, October 6-November 24, 5-6:30pm (\$190)**

All Classes will be held via Zoom. Scholarships Available. Contact [rachel@yptproject.org](mailto:rachel@yptproject.org)

The Young People's Theatre Project combines entertainment and education for all audiences. Through performances, workshops and residencies with professional theatre artists, young people of all ages explore their creative potential. The Project is a resource to an ever expanding community, *from opening nights to opening minds*.
